After much planning and community conversation, we are ready for action!

The City of Kirkland, Sound Transit, Evergreen Healthcare and King County-Metro would like to invite you to an open house to see how we are planning to implement the Community's vision of an Urban Center at Totem Lake.

Learn About...

- The City of Kirkland's plan for creating an intensive, compact Urban Center at Totem Lake;
- Campus development at Evergreen Hospital;
- Sound Transit and King County Metro's plan to locate a Transit Center on the Evergreen Hospital Campus to improve transit services to the community;
- Creation of an overpass over I-405 at NE 128th Street and new freeway access for transit and carpools
